

**cdg would like to take this opportunity to thank you for all your business and wish you all a Prosperous New Year for 2008...!!**

This year instead of sending out corporate gifts to our client's cdg have decided to make a donation to *Barretstown Children's Charity* and help bring a little happiness into the lives of these seriously ill children.

Barretstown is a specially designed camp, providing a programme of adventure, activities and fun - backed by the medical world - which helps children with serious illness regain their confidence and self-esteem.

Paul Mc Cann, Managing Director
