cdg launch new site

cdg are pleased to announce that we have launched our newly designed website which is complemented by our latest up to date content management system. Check it out at www.cdg.ie

cdg originally a design company is now one of Ireland's leading Web Development Companies offering a wide range of services including search engine optimization. We are now offering Free SEO audit as we know that search engine marketing has become the most cost-effective way to reach your customers and offers unprecedented targeting capabilities. For more information contact us on 01 640 2000 or see www.cdg.ie

The Olympic Council of Ireland

cdg are delighted to announce the launch of the Olympic Council of Ireland's new website for the Beijing Olympics which can be viewed at www.olympicsport.ie

cdg are very proud to have been chosen through an in-depth tendering process for our graphic design, web design and web development skills to produce this project. This website includes our new and updated content management system, along with our SEO services this website has been competitively marketed online.

cdg worked closely with the Olympic Council to ensure that this website was designed and developed to the highest standard possible.

The Olympic Council of Ireland was formed in 1922 and is now one of the leading National Olympic Committees in the world under the leadership of President Patrick Hickey, Honorary Officers, Executive members and Olympic Council staff.
